About the Program

After more than a decade of debate, the Competition Ordinance was finally passed by the Hong Kong Legislative Council on 14 June 2012. This new legislation is a major milestone in the development of competition policy in Hong Kong. It is the first cross-sector competition law to be enacted in Hong Kong, and it shows the determination of the government in maintaining fair and free business environment in the market. As a breakthrough, this conference aims to bring together the Competition/Antitrust Law Academics, Practitioners and relevant Professionals from throughout the world to share their knowledge and discuss the latest global developments as they relate to Hong Kong. It also presents an overview of the new Competition Ordinance and its impact on different sectors in Hong Kong.
